## **Section 1: Committee Updates**

This section is filled out by the chief officer from each of the Alliance LARP committees.

### **Rules**

ARC is currently working on ritual updates based on the recently passed [2.1 Rules Update](#), as well as proposals for rules-adjacent policies needed for the implementation of the 2.1 ruleset.

### **Technical**

The Technical team has started working to incorporate the 2.1 changes into the CMA to get it ready for 2.1. Parallel to this effort, the team has also continued their work on the initial version of the AMS.

The team is currently recruiting for skilled React developers. If you're interested in getting involved, email Albert at: [dragonstamps@alliancelarp.com](mailto:dragonstamps@alliancelarp.com).

### **Diversity**

The team has the following updates to share on their projects:

- 1) Completed the final draft of the Code of Ethics. This was submitted to the Alliance Presidents earlier this month.
- 2) The team has selected and submitted for consideration a replacement for the word "Race" in the Alliance system.
- 3) They've collected the first of ~12 discussion club documents. These documents can be used to facilitate discussions at or around events on topics that will bring the community together and allow the spreading of our ethos.
- 4) A form has been completed to gather accessibility information from owners on the sites they use. This will allow players with restrictions and needs to have access to the information without having to search for what accommodations are available.

### **Design**

Design spent this month continuing to work on Project Monster Desk.

The team is looking to recruit a new member with experience with monsters, rituals, and/or plot. If you're interested in getting involved, please contact Albert at [dragonstamps@alliancelarp.com](mailto:dragonstamps@alliancelarp.com).

## Documentation

The Documentation team has continued their ongoing effort to get the rulebook updated and ready for 2.1's final implementation.

Starting in February, the team will be looking to hire a few individuals on a per diem basis to aid in the 2.1 rulebook review process.

## Publicity
