## **Section 1: Committee Updates**

This section is filled out by the lead representative from each of the Alliance LARP committees.

### **Rules**

ARC has been working in tandem with the Design committee and has made substantial progress on an unpublished major project within the last month.

### **Diversity**

Progress is still being made on rewrites to the Player's Guide.

### **Publicity**

Weekly discussion threads on the Alliance Discord have continued. The first episode of the Alliance LARP Podcast is scheduled to record and publish in May. Our first content sprint (stay tuned for details) is coming up on June 9th!

Additionally, the Publicity Committee is currently seeking new members! We are looking for writers to help with our soon to launch blog. If you're interested in helping to contribute, message RiddickDale on the forums.

### **Technical**

The Technical committee did not provide an update this month.

### **Design**

Design has completed and submitted to ARC several pieces of an unannounced larger project, and are still making progress on one additional ongoing one.

## Documents

The Documents committee has completed their rewrite of the Alliance LARP Bylaws, which have been submitted to the owners for editing and confirmation. They have since switched focus to working on touching up the Rulebook and Player's Guide to streamline both documents for ease of information. The team meets once a week every Wednesday to discuss updates and plans going forward.

## **Section 2: Chapter Updates**

This section is filled out by a representative from each chapter who wishes to contribute any important updates. This month, we received updates from the following chapters:

### Denver

The staff of Alliance Denver LARP are in discussions with two local conventions for the upcoming season! They are also looking into hosting a Renaissance Festival day, a costume photo shoot, and fighter practices! More details about these upcoming events will be coming in June.

ADL also holds Tuesday Talk on Discord weekly from 7:00 pm MST until ~9:00 pm. (They have a wonderful cooking demonstration that goes on during the conversation by Ryan, AKA Bluewolf!)

### Minnesota

Minnesota would like to advertise that they are planning on holding events this year! You can check out their schedule at: <https://alliancelarp.com/forum/threads/2021-schedule.41932/>

There's a thousand different little items that go into module adventures. Please check out our gofundme for more details and donation incentives: <https://gofund.me/6f2b4c26>

Keep an eye on the forums for updates to the following projects:

- Bylaws update - first pass was completed on May 1st, it is now under review by the owners. Once finished, this will be posted publicly.
- ARB and APG 2.1 updates - end of May target for first drafts.
- National insurance policy - ongoing
