Publicity

The Publicity team continues to remain active on the Alliance Larp [Facebook Page](#).

Design

Design's work on rituals continues. The team has submitted 25 rituals to ARC for discussion and consideration, and have another 30+ in the rough draft or review phase.

Documents

While working through the Player's Guide, the Docs team is looking at how to streamline it in a way that makes sense for the Alliance as a whole. After the preliminary completion of the Alliance Rulebook last month, there are a few minor items that the team has been touching up.

Section 2: Chapter Updates

Denver

Hello Alliance Friends! It's the beginning of Fall, this year, more so than any other, we need your help. So here's to healing and putting things in place at our new home.

In short, we have a financial goal of \$5000. That money will allow us to put in some fixes for us to run a smoother game.

“Wait... aren't there usually rewards and such for these kinds of things-” Heck yes there are!

This year we will be running this fundraiser from today 6/15/2021 until 10/15/21. During that time period, anyone who donated ANY money will get 10x Gobbie exchange.

There are a ton of other rewards. They will be set up and we will find a way to show our progress on our website when all donations are added together. We will let you know about once a month where we stand. [Click here](#) to check out the fundraiser page on the forums.

ADL was approached by the largest convention in Denver called Fan Expo Denver and was requested to be the LARP exhibit with demos, advertising and getting the Alliance name out there. Website: <https://fanexpohq.com/fanexpodenver/main-events/>

Wyoming

AWY intends to keep its initial GoFundMe running until their first full game, likely spring 2022. This fundraising is being used for costuming, makeup, and other props and has a high Goblin Stamp rate of return. For more information about the GoFundMe, [click here](#).

At this time, AWY has no convention or regional representation plans, though this is likely to change going into 2022.

AWY is not currently running any fighter practices, but did have a Tavern Night on 10/16/21!. Keep an eye out for future community events and plans! AWY is looking forward to joining the other Alliance chapters with full events in the new year!

Section 3: Featured Events and Conventions

Section 5: Projects in Development

This section provides some information about any national level projects which are currently in development. If you are interested in getting involved with any of these projects, please contact Albert at: dragonstamps@allancelarp.com

This month, volunteers from across the national staff committees have been hard at work parsing through footage of this year's Owner's Symposium. In total, there were 46 total votes taken, six of which were for immediate implementation and have an effect on gameplay. Temporary descriptions for these changes can be [found in the Announcements](#) section of the forums. Official language for these and the remaining votes is forthcoming as we get it finalized.
